

DAN L.MARTIN

ADVENTURER & AUTHOR

DAN L.MARTIN IS A HIGH ENERGY ADVENTURER, MILITARY HISTORIAN, ENTREPRENEUR, AUTHOR, AND SPEAKER. HIS PRESENTATIONS ARE DEEPLY RESEARCHED, CURRENT, AND INDUSTRY SPECIFIC. HE COMBINES FORTUNE 500 BUSINESS ACUMEN WITH HIS NAVY SEAL TRAINING AND IRONMAN SUCCESSES TO INFUSE AUDIENCES WITH THE "SPECIAL FORCE" MENTALITY THAT INSPIRES GREATNESS BEYOND IMAGINATION.

At 42 , Dan Martin decided to do the unthinkable—he volunteered for BUDs training at the Extreme Navy SEAL Experience. Even though he was beyond his years to earn the esteemed Letter of Recommendation required for all Navy SEALs, Dan was never out of the fight. Alongside a team of twenty-somethings, he endured "Hell Week", a cauldron of pain that transforms "Tadpoles" into the worlds most elite "Frogmen". He was awarded the distinction of "Honor Man", a title assigned only to the strongest leader. But, as all SEALs know, "The only easy day was yesterday" and for Dan that was *yesterday*. After BUDS, Dan became a 2x Ironman Triathlete. Having retired his Danner boots and his Tri-bike, Dan is now Owner and CEO of Batavi, LLC. danlmartin.com
